Today is Social Awareness Week's Peace Day.
There are no inspirational speeches to be delivered.
We have no handy pamphlets to give away.
There is no monumental demonstration planned.

We simply ask you to recollect the visions of the past and live for the hopes of tomorrow. Imagine a world without suffering, hate, opression, senseless deaths, and calculated fear.

Through our lives we mold and inspire others.

Today is peace day.

Imagine...

Imagine there's no heaven.
It's easy if you try.
No Hell below us.
Above us only sky.
Imagine all the people,
Living for today.

Imagine there's no country.
It isn't hard to do.
Nothing to kill or die for.
And no religion too.
Imagine all the people,
Living life in PEACE.

You may say I'm a dreamer.
But I'm not the only one.
I hope some day you'll join us.
And the world will be as one.

Imagine no pocessions.
I wonder if you can.
No need for greed or hunger.
A brotherhood of man.
Imagine all the people,
sharing all the world.

You may say I'm a dreamer.
But I'm not the only one.
I hope some day you'll join us.

And the world will live as one...

POSITIVE THOUGHTS

Here are a few positive thoughts brought to you by S.A.C. in the spirit of Think Positive Week.

Learn to like yourself. Others will respond to you in the way you respond to yourself.

Don't worry! Be happy!

Nothing great was ever achieved without enthusiam. Emerson

Welcome each day with interest and curiosity as a new adventure, a new experience.

What the caterpillar calls the end of the world, the master calls the butterfly.

There will never be another me. I will make the most of myself. There will never be another now. I will make the most of today.

nt Stories

the Pizza Parlor.

The contest was designed to promote a great number of news stories about Graceland students for distribution to hometown newspapers. This media was used in the recognition that the students themselves were more aware of the various activities carried on by their peers.

The Student News Bureau is composed of students chosen in all houses. These students are responsible for reporting news items about the individuals in their houses. Items are then given to those students whose work assignments are with the College Relations Office and whose duty is to complete the stories to send to the hometown newspapers. The winner chosen was the house whose reporter turned in the greatest number of usable news stories. This judgment is made by the College Relations Office.

The total number of stories received was 162. Six houses turned in only one or no stories.

The contest will be opened again for this semester and all houses will start anew with a clean record. The prize has not yet been announced.
